WOODBINE BRANCH OF CMC LIBRARY HOLDS "TEENS AND TWEENS" ACTIVITIES IN MONTH OF JANUARY

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will host two "tweens & teens" activities during the month of January at the Woodbine Branch, 800 Monroe Avenue, Woodbine.

The Teen Department of the Cape May County Library will be hosting after-school activities (games, crafts, and other fun) for students in grades 4-8 at the Woodbine Branch library twice in the month of January. The programs will be held at 2:30 p.m. Tuesdays, January 9 (perler beads) and January 23 (another ropund of the ever-popular "button making").

Registration is not required for these programs.

For more information, please call the Teen Department at (609) 463-6340 or email teen@cmclibrary.org.

"The teen librarians have informed me that they are very happy with how the program has been going and are excited to continue it this year. They agree it is important to have programming at branches other than Court House, and so far it has been working out well, especially at our Woodbine branch!" noted Mayor Pikolycky."
