WOODBINE BRANCH OF CMC LIBRARY HOLDS "TEENS AND TWEENS" ACTIVITIES

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will host two "tweens & teens" activities during the month of November at the Woodbine branch, 800 Monroe Avenue, Woodbine.

The Teen Department of the Cape May County Library will be hosting after-school activities for students in grades 4-8 at the Woodbine Branch library twice a month in November. The programs will be held at 2:30 p.m. Tuesdays, November 14 and November 28. The Woodbine Branch is located at 800 Monroe Ave in Woodbine.

Teens and tweens, in grades 4-8, are invited to join us at the Woodbine Branch for games, crafts, and other fun.

Registration is not required for these programs.

For more information, please call the Teen Department at (609) 463-6340 or email teen@cmclibrary.org.

"The first of these programs had a participation of eight students, a notable amount for our small local facility, and was followed by magnet-making, mask-making, and button-making," noted Mayor Pikolycky. "I encourage more to participate as the County continues to provide these afterschool programs for our young people."
