### **County Library Hosts Tech Glove Workshop for Teens At Woodbine Branch on December 6**

**Woodbine**—Mayor William Pikolycky is pleased to announce that the Cape May County Library invites tweens and teens in grades 6-12 to a crafting session featuring tech gloves at the Woodbine Branch, 800 Monroe Street, Woodbine, on Tuesday, December 6 at 2:30 pm.

Turn a regular pair of gloves into wearable technology that will allow you to use your touch screen device and stay warm at the same time! All supplies will be provided. Open to Grades 6-12. No registration required. Just show up! Look for our take-home craft in your local branch's teen space, too! All teens can visit and use all branches of the Cape May County Library.

Registration is not required for this event. For more information, please contact the Cape May County Library Teen Department at (609) 463-6357 or email us at [teen@cmclibrary.org](mailto:teen@cmclibrary.org).

“Exciting opportunity to craft some innovative (and useful) wearable technology,” added Mayor Pikolycky.
