WOODBINE CHANGES TRASH COLLECTION FROM MONDAYS TO THURSDAYS TO COMBINE WITH RECYCLING PICK-UP

Woodbine—Mayor William Pikolycky would like to advise Woodbine residents that the Borough of Woodbine is changing its trash and recycling collection process starting March 2014.

Both will now be picked up on Thursdays.

Monday collection of trash is being replaced by this combined collection schedule.

While trash and recycling must be separated from each other, there will now only be the need to set it out one day a week, on Thursdays.

Any questions, please contact the Borough Clerk's Office at 861-2153.

"This will result in a cost savings and convenience for our residents," noted Mayor Pikolycky.
