WOODBINE RABIES CLINIC SET

Woodbine—Mayor William Pikolycky reminds Woodbine residents that the annual rabies clinic, free to Borough residents and sponsored by the Borough of Woodbine, will be held Saturday, March 13, from 10 a.m. to noon, at the Woodbine Ambulance Corps Building/Public Safety facility on DeHirsch Avenue.

For the convenience of Borough residents, licenses may be obtained at Borough Hall the day of the clinic until 1 p.m. Proof of current rabies vaccination must be presented.

“We are pleased to be able to again provide this service to our Borough residents and their pets, both cats and dogs,” remarked Mayor Pikolycky.

“Because of the dog and cat license registration fees we are able to provide this program free of charge,” noted Mayor Pikolycky.

Licenses can be obtained from the Municipal Clerk at Borough Hall, 501 Washington Avenue, Monday through Friday, from 8:30 a.m. to 4 p.m.

All cats and dogs in the Borough must be licensed.

License fees for dogs are \$8.20 if spayed or neutered; \$11.20 if not.

Cats \$5, regardless.

If purchased after Mar. 31, a \$5 late fee will be added.

Any questions about the clinic or licenses call the Borough at 861-2153.
