Notice of Maintenance Paving: Fidler Road (C.R.638) & Woodbine-Belleplain Road (C.R. 550)

Woodbine—Mayor William Pikolycky wishes to inform local residents & motorists that beginning on Wednesday night, June 20th, distressed portions of Belleplain-Woodbine Road north of Washington Avenue will be milled and resurfaced as part of a maintenance paving operation that the County's Contractor, South State will be performing. For the work along C.R. 550, thru traffic will be maintained at all times, although there may be a lane shift and/or a single lane with traffic directors around portions of the paving operation. Beginning on Thursday night, June 21st and continuing on Friday night, June 22nd, portions of Fidler Road (C.R. 638) within the Borough of Woodbine and Township of Dennis will undergo milling and resurfacing as part of that paving contract.

The paving of Fidler Road (C.R.638) begins at Sumner Avenue and continues south toward Academy Road. Deteriorated portions of this road will be milled and resurfaced. For the portion of paving work along Fidler Road between Sumner Avenue and Fiddler Hill Road, thru traffic will be detoured by using Washington Avenue (C.R. 550) to Woodbine-Oceanview Road (C.R. 550) to Fiddler Hill Road (C.R. 660) back to Fidler Road. Local traffic will be maintained and homeowner's will always have access to their residences. The remainder of the paving of Fidler Road will be paved while maintaining thru traffic. Traffic for this portion of the roadway will be maintained using a lane shift and/or a single lane with traffic directors around portions of the paving operation. Motorist should use care when driving thru the work zone and should expect delays.

"I suggest use of an alternative route or allowing extra time to get to your destination," noted Mayor Pikolycky.
